Dear Friends of Music at Cherry Creek High School,

On September 20, 2022, the Cherry Creek High School Band Parents Association (CCHSBPA) will host our largest fundraiser, the 14th Annual Silent Auction and Fall Concert.

The proceeds from the auction will help raise important funds for the purchase and maintenance of musical instruments, and support development and growth of programs that benefit our band students. The Cherry Creek High School (CCHS) music program has several diverse music groups (marching, concert, and jazz bands to mention a few) serving over 300 band students.

As a valued local business and community leader, we are writing to ask for your support by donating item(s) to our online auction. More than 500+ people will browse your donations via the online auction site, and your contribution will be acknowledged on the list of donors on the online auction site. Members of the CCHS community will notice and appreciate your participation and are encouraged to support your business.

The CCHSBPA is the official booster club for the CCHS Band programs. CCHSBPA is a 501(c)(3) public charity that provides financial and volunteer support to the high school band program. Our EIN is 84-0718562.

Please contact our Auction Chair, Vien Perez, for further information. Donors can reach Vien through the following communication channels:

- E-mail: [2022cchsbpauction@gmail.com](mailto:2022cchsbpauction@gmail.com)
- Phone/Text: 303.901.5444

We can arrange to pick up the donation(s) in person. If you prefer mailing, you can do so using the following address: CCHSBPA, c/o Vien Perez, 7650 S. Newport Court, Centennial, CO 80112.

CCHSBPA is passionate and committed to serving the CCHS music programs but it requires help. As Beethoven quoted, "Music can change the world," so CCHSBPA is hoping that you can donate to help our students do their part in playing beautiful music to change the world.

Thank you in advance for your sponsorship, partnership, and donation(s).

With much appreciation,

Lisa Kelley
